(Statement sent with the letter referred to above)

The changes proposed are with regard to 3 items, viz :-

1. Under the head "Executive staff", to raise the amount of horse allowance of an Inspector from the number and pay of Inspectors from from Rs 15 to Rs 20, by changing "40 Inspectors at Rs 20 + 2 Inspectors at Rs 15" to "41 Inspectors at Rs 20 and 1 Inspector on Rs 15".

2. Instead of three grades of sub-Inspectors, to have only 2, the first two being united as one.

3. Under the head Distillery Estabt, instead of "1 watcher on Rs 5" to have 2 Scavengers on Rs 7 each.

With regard to No 1.

The change proposed is said

to be due to the transfer of the Inspector from the Distillery to the ~~Kolar Gold~~ 2nd Bowringpet Range.

Item no 2.

Here the Inspectors who have been getting a pay of Rs 10 with an allowance of Rs 5 will ~~have to~~ be given a pay of Rs 15 i.e. the maximum pay of the grade, while those who are already getting a permanent salary of Rs 12 will be in the grade of Rs 12 rising to 15.

Item no 3.

In E.O. no $\frac{8362\text{-}3}{Ex.7.2\text{-}95}$ dt 28/5/00, referred to in the Statement by the Excise Comm^r, an establ^t of 2 Scavengers was sanctioned as a temporary measure i.e. till the completion of the proposed project to divert the impurities from the Distillery tanks, as asked for by the Excise Comm^r (no $\frac{6172}{376}$ dt 14/5/00).

(no 3605-7 Ex 72-95 31/10/00)

Subsequently a grant of Rs 4750 (the
was afterwards raised to Rs 5225
in G.O. no. 4303 Ex 72-95 dy 28/11/00) was sanction
to carry out the work connected
with the diversion of the Sewage
water of Chamarajpet and
Madiganapalya from the two
Distillery Tanks. The Excise
Comm.r in the letter under
disposal does not clearly
point out the necessity for making
this temporary estab.t a per-
manent one.

Sanction for an extra expenditure
of Rs 14 per mensem is solicited (i.e. including
the temporary extra cost on account of 2 scavengers).

Sir,

In acknowledging the receipt of the printed copies of the Government Proceedings No. 1437-8 Ex:7.1 of 1897-98 dated 30th November 1903, I have the honour to state that the following slight alterations are needed in the Scale of allowances and pray that it may be sanctioned.

(1.) At the time when I submitted the proposition or Statement for the revision of the Executive Excise Staff, there were in charge of

of the Distillery 1 Inspector on Rs 100+15 and 1 Inspector on Rs 50+15, the Head Inspector on Rs 150+25 who was originally in charge of the Bangalore city and station and who had also general Supervision over the Distillery, being only in charge of the Bangalore city and having general Supervision over the Distillery. Therefore in the Proposition statement, the permanent travelling allowance was entered at Rs 15/ for the two Distillery Inspectors. (Vide the statement annexed to the Government Proceedings cited above). But subsequently as an Inspector on Rs 100+15 was absolutely required for the very important Bowringh Range, he was transferred to it, the Head Inspector being posted to the Distillery, so that at present the Head Inspector on Rs 150+ and an Inspector on Rs 60+15 are in charge of the Distillery. The Inspector on Rs 100+15 who

who is in Charge of the Bowringhet Range is therefore entitled to a permanent Horse allowance of Rs 20 per month like the Inspectors of other Ranges and I beg to Solicit Sanction to the Same.

2. In the Scheme now Sanctioned the "General" and "Preventive" Inspectors being amalgamated the pay of the 7 Sub-Inspectors (10+5) who were the clerks of the latter may also be fixed at Rs 12 rising to Rs 15 as in the case of the 34 Sub-Inspectors — clerks of the general Inspectors — This involves no additional expenditure.

3. Under the head "Distilling Establishment" two watchers for distillery Tanks, one on Rs 6 and the other on Rs 5, are shown both under the heads "Existing Establishment" & "Proposed Establishment". The Watcher Rs 5 has been done away with, and in this

Sir,

Adverting to your No: 778/Ex.F.1.97, dated 5, ultimo against the Continuance of the appointment of two scavengers for the Conservancy of the Distillery Tanks, I have the honor to state that the propo to divert the impurities from the Distillery Tank sanctioned in the marginally noted Government Proceedings has not been completed but dropped after partial execution, owing to the difficulty in procuring lands required for the drainage of Chamarajpett and that the services of the scavengers cannot therefore be dispensed with.
